JASPER, INDIANA.

"THE Labelest Wheat Cror.-Our Indian exchanges all contain accounts of England and the interests of capital, while Mr. Hendricks speaks for the large yields of wheat, but Johnson countries while Mr. Hendricks speaks for the West and the interests of labor. Shall week from this day; and when it is out of the earlier saints—about being broiled ty, as far as heard from, is ahead. From the Government be run in the interests of Covernment is pledged to recognize over live coals—about being flaved alive the independence of Cuba, or to take —about being boiled in oil. What was not be requally all that to all this? thing in the Saddiery and Harness line. Saddies, of Nineveh township, threshed one hun-Baggy and Wagon Harness. Collars, Bridles &c., made in the very latest style, and on reasonable terms. He has also the Chounty right for the saddles, of Nineveh township, threshed one hun- of labor or in the interests of capital? see white, making thirty-five bushels per acre. Who of our Second District farmers can equal or beat this yield? New Albany Commercial.

profane improvement."

Wednesday last, speeches were made by Quesada, a brother of the General. These whether they will remain with Spain, or two prominent men, representing the op-men left Pier 37, in this city, during the whether they prefer to be separate and posing parties. Mr. Hendricks in Ohio, rain on Sunday night. They left on the independent. Single Subscription, for fifty Nos., \$1.50 | Bents all the rest.

For six months, : : : : 1.60 Talk of events, and That event beside it. and Mr. Summer in Massachusetts. Both steamer Alabama, which cleared for Fer- 5. Spain will guarantee full protection nandina. Sinks out of sight, and ours must hide it both discussed the National banks, so that question may properly be regarded that question may properly be regarded in available of the Hor-Spanish army for the purpose of treating as a live issue. We will quote the views net. The name of the Hornet has been with the representatives of the Spanish expressed by each, as the septiment of changed to that of the Cuba. The Hor-Government for a settlement on the basystem. Mr. Summer said:

The Sun's celipsed, indeed and by a daughter— south and West, where they are now established, especially at the south and West, where they are now established, especially at the south and West, where they are now established, especially at the south and West, where they are now established, especially at the south and West, where they are now established, especially at the south and West, where they are now established, especially at the south and West, where they are now established, especially at the south and West, where they are now established, especially at the south and West, where they are now established, especially at the south and West, where they are now established, especially at the south and West, where they are now established, especially at the south and West, where they are now established, especially at the south and West, where they are abundant crops and can, under heavy pressure, make fifteen knots an hour. She has seven guns, have on each side, and a pivot bow gun. Here I should like the condition that for cone and can, much especially pounders who grape and casemant pieces, also sixty-eight pounders. Here crew, the last of whom went on duced in volume, while the demand for currency would be supplied by the banks. This would be supplied by the banks. This would be supplied by the banks. This would be an important stage to currency would be supplied by the banks. This would be supplied by the banks. The sabbath day.
